

CLD Dulok WaveTop

Decorative double wire rebound panel system

Description

CLD Dulok is a highly versatile mesh fencing system, which offers an aesthetic and cost-effective solution where visibility is required. This decorative version of Dulok features an appealing wave top effect. The twin 8mm horizontal wires either side of the 6mm vertical wire (traditionally known as 868 slow down potential intruders and the smooth top makes Dulok WaveTop particularly suitable for children's play areas and schools
