Description

CLD ModSec is an innovative installation system which can be installed either at ground level or as a trench system. It features an in-built channel for wires or services enabling easy installation of CCTV, PIDS or other electronic devices. Modsec S2 incorporates CLD Securus S2 fence panels. Tested by the Loss Prevention Certification Board (LPCB), Securus S2 offers a minimum delay against attack of 3 minutes seconds.

Features

Ideal for: Schools, Zoos and Wildlife Parks, Sports facilities.
